## Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, SE

DATE: 20 October 1955

FROM : Acting Chief, SE/R

SUBJECT: Nicolas MALAXA

1. [ ] advised me yesterday that he was summoned to the offices of Immigration and Naturalization in New York to make a deposition with regard to Nicolas MALAXA, a Rumanian national and wealthy industrialist, who makes his residence in New York City. MALAXA has been a controversial figure in the United States for many years. He has been variously accused of complicity with the Communists and has also been alleged to have strong ties with the Rumanian Iron Guard. [ ] says MALAXA's case apparently was reopened "by higher orders from Washington," and it is possible that he (MALAXA), who is now in Argentina, might not be permitted to re-enter the United States.

2. I believe that Mr. Wisner knows MALAXA personally and might be interested in this development.
